

Cleveland Warriors Public Safety Football Club

Dear Public Safety Supporter,

I am sending you this Letter on Behalf of the Full-contact football team composed of Cleveland Ohio Metro area Police officers, Firefighters, and EMS. We are seeking your support for our football team, the Cleveland Warriors. The team competes in the National Public Safety Football League (NPSFL), which is a union of public safety teams throughout the United States, joined together to promote a positive self image to the public by raising funds for charity through spirited competition. In our second season, we plan to play six games, possibly hosting four of them.

We will donate proceeds raised from home games played and other activities to **Ronald McDonald House** of Cleveland, **local military family support groups**, and the **American Cancer Society** (Breast Cancer). We are looking for sponsorships to maximize our ability to donate to these worthy causes and would like you to become an active sponsor of our team. We believe your participation as a sponsor will be mutually beneficial. In addition to a link on our team's website, we will have a professionally planned and printed Media Guide in which your company or business will be featured in. We certainly hope you will be among those who support the public safety workers who comprise the team, and help them in their goal to fund the very special and worthy charities mentioned above. Plaques or trophies will be awarded to the premier sponsors, and formal receipts as well as acknowledgement letters from the club will be provided for your tax purposes.

All inquires and contributions can be sent to the address below. All checks should be made to Public Safety Fitness. We are recognized by the IRS and the State of Ohio as a 501(c)(3) non-profit organization and, as such, our federal tax identification number will be made available upon receipt of donation.

We would like to establish a long-term relationship with you so that we can continue to support the goals of our team and the league. Please feel free to contact me or view our website at www.clevelandwarriors.us. Thanks you for your consideration and we look forward to building a great working relationship!

Sincerely,

Sgt. Corbin Stacy, Director
